

Mighty Mule Band Newsletter

April 15, 2019

Congratulations to the AHHS Winterguard! They placed 2nd at the state TECA Contest on Saturday. We are so proud of the hard work of these students and their directors, Angelica Rincon and Morgan Lopez!

Reminders:

- The **Battle of Flowers Band Festival** is coming up. We are in need of help at the stadium, specifically with unloading/loading the truck. The truck will need to be unloaded before the band arrives at the stadium on Thursday, April 25th and are asking parents to help. Look for the Sign-up Genius that has been sent home by the Band Association.
- I have posted the itinerary below for the **Battle of Flowers Band Festival**. Note that we are not marching in the Battle of Flowers Parade this year.
- **Student Leadership Team** selections are coming up. Application packets for the various jobs will be available early next week. Drum Major Auditions will be on May 7th at 4:30 pm in the band hall.
- We are have **marching band rehearsals** this week Monday-Thursday mornings 7:00-8:15 am. It is imperative that every student attends every rehearsal and is on time. We have very limited time to prepare for the Battle of Flowers Band Festival, and this will be the largest audience for which we will perform. Let's all do our part to have a fantastic performance!
- We are in need of **pictures for the band banquet slide-show**. Please send any pictures from throughout the year to: ahbandhistorians@gmail.com Also, Seniors need to send their baby pictures to this address as well.
