September 9, 2019

Two of the groups who played for the new Studio 09, Mule Stall, and Oaks Cafeteria open house on Thursday night. Thank you: Robert Richardson, Kaia Santos, Eric Guzman, Travis Butts, Jennifer White, Augustin Chincarini, Grace Carter, Ivy Clyne, Miles Parrish, Desi Tsacalis, Flannery Yoxall, Holly Blaise, and Luciana Rodriguez.

Thank you to the parents who worked the concession stand on Friday night!

Reminders:

- Our first **AH Band Association meeting** is Monday at 7:00 PM in the band hall. Plan to attend and get involved in supporting your child and this great activity.
- **Region Band auditions** are on December 3rd. That seems like a long time away, but now is the time for students to prepare/practice the music. Each student has been given the music which consists of three college-level etudes (Percussion has 4 etudes). Encourage your child to start practicing the music now. This is also the process that leads to the All-State Band.
- Students are also encouraged to take **private lessons** to prepare the All-State audition music. These lessons are the best way to help your child progress on their instrument. If you are interested in private lessons, please fill out this form:
